

EXISTING CONDITIONS

Oahu Avenue

This is one of several spine roads that travel through the Valley. There is a small curb with gutter along the majority of the roadway. Oahu Avenue has no sidewalks, but it is clear that a pedestrian pathway has been worn into the lawns of property owners. On street parking is permitted one side of the road only. This road is used for the Number 5 bus route.

East Manoa Road

East Manoa is another spine road supporting much of the commercial activities in the Valley. There is a sidewalk on both sides of the road in most places near the commercial district. Parts of E. Manoa road further makai have no sidewalks. The road remains two lanes throughout the Valley, but the lane widths change significantly as the driver travels from the residential areas into the commercial district.

Manoa Road

Manoa Road is a two-lane spine road with no sidewalks and minimal curbing. Because of the humid and often rainy climate in Manoa pedestrians use the roadway for walking to avoid getting their shoes and clothes wet or muddy.

EXISTING CONDITIONS

Lowrey Avenue

Lowrey Avenue is one of the few streets that runs Ewa-Diamond Head across the width of the Valley. This street is two lanes, which, like E. Manoa, change significantly in width depending on the location. The intersection of E. Manoa and Lowrey has harbored a high number of crashes for the area.

Manoa Marketplace

This area is the hub of most of the commercial activities in the Valley. The Marketplace houses Safeway, Longs Drugs, several banks and restaurants, the Manoa Post Office and other uses. While this commercial center is conveniently located within walking distance of most of the homes in the Valley, the pedestrian connections are poor and unclear to both walkers and motorists.
